* This letter has been issued from the Future Cruise Sales Department for a Future Cruise Deposit ("FCD") in the amount specified above. The FCD is available to use on new future bookings only and is non-transferable. The FCD currency is non-changeable. The FCD is combinable with most publicly offered fares and promotions. The FCD will be automatically refunded if not applied to a new booking created within one year from date of purchase. Once applied to a booking the FCD is considered money and is subject to booking terms and conditions in the Passage contract. Only one FCD per person applied to a booking will provide shipboard credit. Shipboard credit is nonrefundable and only applicable to each FCD purchased and applies to the holder of the FCD only, excluding 3rd and 4th berth guests. Shipboard credit is based on the ship's onboard currency and is not redeemable for cash. FCDs do not apply to bookings on Charter voyages. Reduced deposit and onboard credits do not apply to bookings 45+ days. The reduced deposit requirement for these bookings may vary based on booking dates, and a fare discount of 3% is provided. To make your next booking, please contact your Travel Agent, or Princess Cruises at 1-800-PRINCESS.
